

# The Mihai Coculescu Society of Androgenology and Adrenal Tumors (MC-AGATAS) Scholarship

## Award rules

### Background

1. The Mihai Coculescu Society of Androgenology and Adrenal Tumors (**MC-AGATAS**) was established and registered in Lithuania in 2018.
2. The MC-AGATAS Scholarship is awarded annually for outstanding achievements in the field of androgenology. Androgenology is the field of science that analyzes androgen (male hormones)-related phenomena.
3. All MC-AGATAS Scholarship matters are handled using the unique registration number and bank account of MC-AGATAS in Lithuania and are subject to Lithuanian law.

### Eligibility criteria

4. Applications for the MC-AGATAS Scholarship are open to any member(s) of MC-AGATAS.
5. Applications for the scholarship are open to an individual researcher or a group of researchers who obtained outstanding results in androgenology.
6. To be considered for the MC-AGATAS Scholarship, applications must include:
  - a. a scientific article in androgenology published in a scientific journal no more than 12 months before lodging the application; or a scientific journal letter confirming the acceptance of a scientific article;
  - b. an up to date curriculum vitae of the applicant(s), including a list of publications and details of each applicant's scientific activities over the past 5 years; and
  - c. a research project in androgenology, to be conducted within the next 5 years, using the MC-AGATAS Scholarship funds.

### Important dates

7. Deadline for the applications is **5 September** every year.
8. Applications are to be addressed to the President of MC-AGATAS (currently - Dr Valentinas Matulevičius  
Email: valentinasmatulevicius@ymail.com  
Mobile: +37 068 661 445  
Address: Petrikų 16B, Trušelių village, Klaipėda district, LT92438, Lithuania).
9. The results will be notified by **8 November** each year.
10. The MC-AGATAS Scholarship funds are transferred from the MC-AGATAS bank account to the account of the Scholarship recipient within 10 days of the winner being notified, at the latest by **18 November** each year.

### Evaluation of applications

11. The President of MC-AGATAS will provide all the applications to the evaluation committee, which will award the Scholarship within 2 months (by 08 November of each year). The President of MC-AGATAS will notify the winner of the MC-AGATAS Scholarship, all members of MC-AGATAS, and will ensure the results are made available to the public through appropriate means.
12. The evaluation committee will consist of up to 5 members. The President of MC-AGATAS will choose the members of the evaluation committee, based on their professional expertise, taking into account the research themes drawn from that year's applications.

### Award rule review

13. These award rules are subject to review at least every 3 years. Any rules can be changed with a majority of the votes of the members of MC-AGATAS. In the event of a tie, the President's vote will carry the motion.
